Office 365 Enterprise E3

Ideal for companies requiring enterprise-level email and other services - Office applications not included

Description

Microsoft Office 365 is a cloud-based service designed to help meet your organization's security, reliability, and user productivity needs. Microsoft Office 365 offers companies of all sizes the highest productivity in the cloud, saving them time and money and freeing up valuable resources. Office 365 connects the familiar Microsoft Office desktop suite and cloud-based versions of Microsoft's next-generation communications and collaboration services, including Microsoft Exchange Online, Microsoft SharePoint Online, Office Online, and Skype for Business Online, so users can work virtually anywhere over the Internet.
